OVERVIEW: Union Gap School District Mission Statement: The School Board, administration, staff, and parents are committed to providing an educational experience communicating understanding and a belief in the success of all students. We focus our efforts on all curricular areas with equal emphasis on fine arts and physical education/health programs. Our 81,000 square foot facility is highly technologically advanced and has state-of-the-art security. In spring 2009, we adopted a new mathematics curriculum which our teachers are eager to share with our students, aged pre-Kindergarten through 8th grade.
